Association

*Holiday Greetings from the Georges Pond Association*

## A MESSAGE FROM THE GPA BOARD:

We wish you and yours a gentle and safe holiday season as we approach the beginning of a New Year. We're grateful for your continuing efforts to protect and preserve Georges Pond for the next generations. Because of your ongoing engagement in our LakeSmart program, your upgrading and maintaining septic systems, and your financial generosity, we've seen the best water quality measurements on record. ***Thank you, thank you, thank you!***

### Note received from a 319 residential grant recipient:

I just wanted to let you know a check from GPA arrived today.

I would not have been able to expand my buffer without the help of this 319 Phase 2 grant program.

Thank you very much to the Board.

It will continue to be a **work in progress**, but it looks nice and will help the pond.
